Programme Notes – Coventry City, Saturday 21st March 2026 – Teo Angheben writes:

Good afternoon everyone. It's great to be back at the Swansea.com stadium again for this fixture against Coventry City. We'd like to extend a warm welcome to Frank Lampard, his team and all travelling supporters joining us this evening.

Last weekend's defeat to Wrexham was a tough one to take and the disappointment across the fanbase showed just how much the result meant to all of us. It was a frustrating evening, but even in a difficult game there were moments that highlighted the character within this squad and the reaction from the players afterwards made it clear how determined they are to put things right.

Football moves quickly and this game gives us the perfect chance to respond. Coventry have been really strong this season, but we've seen time and again how powerful this stadium can be when the team and supporters pull together. Our home record has been a real positive this season and the backing from the Jack Army has played a huge part in that. With another big Championship crowd expected, it'll be great to see everyone coming together again and bringing the energy that makes this club what it is.

We'd also like to take this opportunity to congratulate Ben Cabango and Liam Cullen on their inclusion in the latest Wales squad for the World Cup qualifier against Bosnia and Herzegovina. It's always great to see our players recognised at international level and it reflects the hard work they continue to put in for club and country.

With that in mind, here's a reminder that bookings are now open for the Player Awards Evening, one of the standout events of the season and a brilliant chance to celebrate the squad's achievements:

Finally, we'd love to see more supporters, especially younger fans, getting involved with the Trust. A strong and diverse membership helps ensure supporters have real influence in shaping the future of Swansea City. You can join at: <https://www.swanstrust.co.uk/join-the-trust/>

Enjoy the game! Come on the Swans!
