We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Industrial and Provident Societies Act 1965 and the Friendly Industrial and Provident Societies Act 1968. We also report to you if, in our opinion, the Society board' Report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding society board' remuneration and transactions with the company is not disclosed.

Basis of Opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board except that the scope of our work was limited as explained below. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the society board in the preparation of the financial statements, and of whether the accounting policies are appropriate to the society's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatements, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.
