2.1 The ST Supporters Director has the same legal responsibilities to the company Swansea City Football Club (SCFC) and shareholders as all the other Directors, and must act at all times in the best interest of the SCFC as a whole. However, the unique terms of the reference of the Supporters Director mean that their view on what is in SCFC's best interests will be informed and influenced by the views of the supporters.

2.2 Normally a Director would be expected to work in cooperation and agreement with the rest of the SCFC Board. The SCFC Board works on a consensus basis whereby, once a decision has been reached, even by majority vote, then it will be supported by all Directors. However, if at any time the Supporters Director feels that the action the Board is taking is not in the best interests of the company (SCFC) as a whole then they are legally required to oppose that action.

3.5 The ST Board may, in the event of the Supporters Director not being able to continue in office, appoint a person to undertake the duties of Supporters Director, as detailed in subparagraphs 2.1, 2.2 and 2.3 of this document. If the appointment takes place during the mid-term of the outgoing Supporters Director, his/her successor will serve in the position until the current term of office is completed.
