Swansea City Supporters Trust owns 21% of the shares in Swansea City Football Club and is officially recognised by the Football Supporters Association.

The Trust was formed by Swansea supporters back in 2001 at a time when the club was financially stricken and struggling for survival. It gives a unique opportunity for fans to represent their views in its running of the club through a Trust Board made up of volunteers voted for by its members.

An elected member of the Trust Board, the Supporters Director, sits on the Board of Directors at Swansea City Football Club. Other Trust Board members are regularly involved with the clubs Management Team in other areas, especially those directly affecting the fans.

But we need your help! The Trust only has strength if it has a healthy membership. One of our key aims is to represent the voice of the fans and directly feed this back into the club. By becoming a member of the Trust you immediately:

- Become an important and active part of the Swans Trusts' 21% share in the club
- Allow us to continue communicating with our members by contributing towards our ever increasing running costs. Membership fees and donations are hugely important to us
- Help support our chosen charities and local junior and senior football leagues

So, what else do we do?

- Organise Fans Forums and other Social & Fundraising Events in conjunction with the Club
- In 2012 we founded the Robbie James "Wall of Fame" which now features 100 club legends
- Allow local secondary schools to participate in our innovative Schools Initiative project, more details of which can be found on our website or clicking [here](#)
- Liaise and work alongside other community and supporters group projects, ie. the Disabled Supporters Association, Swansea City Community Trust, Swansea Mind, etc
- Promote and develop with the aid of the club both local and global Swans Supporters Groups

If you want to read more about Swansea City Supporters Trust, its origins, aims and responsibilities then there is a wide range available on our website www.swanstrust.co.uk

And if you too would like to become part of the Swans Trust then you can join by completing the membership form on the rear of this leaflet. You can also join via our website or click [here](#)

And don't forget we are always on hand to respond to the issues and concerns of our members and fans via Email, Facebook, Twitter and Instagram. Trust Board members are also available on matchdays at the Trust Pod, around the stadium, the Riverside Bar or the Landore Social Club.
